PowerSchool

What is PowerSchool?

PowerSchool is an Internet-based computer system that allows parents to view their child's grade and attendance information from home. The information in PowerSchool is updated real-time, which means as assignment and grades are recorded by teachers, parents can see the information updated at home right away. Likewise, parents can see attendance information as it is entered into the school's computer system.

What kind of computer do I need?

PowerSchool can be accessed using any Internet-connected computer. You will access PowerSchool through your web browser (Internet Explorer, Firefox, etc.). You can access the system from your home computer, your work computer, or from a public computer such as at a library.

Is PowerSchool secure?

Your child's data is absolutely secure. No one can access your child's information without your username and password. Your username and password will never be given to anyone over the phone or by email. Usernames and passwords are only distributed through USPS, and only to the official address(es) on record for your child.

How do I access PowerSchool?

To access PowerSchool you will need a username and password. You can request this from your child's school. Your username and password will be mailed to you, to the mailing address we have on file. Usernames and passwords are not given over the phone or by email for security reasons. When you request PowerSchool access you will also receive instructions for connecting to and using the system.

To request access to PowerSchool for your A.P. Schalick High School student, contact the Guidance Office at (856) 358-3094 ext 4110.
